

IETA & ICTSD Article 6 Business Dialogue meeting

October 16, 2018, Glion

Agenda

Date: October 16, 2018

Start time: 14:00

Location: Hotel Victoria, Route de Caux 16, CH-1823 Glion sur Montreux, Switzerland

Project Background and approach

IETA and ICTSD are holding a joint workshop on Article 6 of the Paris Agreement. The workshop will bring together IETA members and key UNFCCC market negotiators and will represent a unique opportunity to discuss Article 6 priorities and share private sector experiences with international carbon markets.

14:00 **Registration**

14:30 **Welcome and opening remarks**

- D. Forrister, IETA
- A. Marcu, ICTSD/ERCST

14:40 **Key issues in Articles 6.2 and 6.4**

- A. Marcu, ICTSD/ERCST

Following an initial presentation from Andrei Marcu, the participants will have the opportunity to participate in a discussion on what they see as the main issues in Article 6.2 and Article 6.4. It is hoped that the business participants will provide their views on what needs to be addressed at COP 24 in order to allow them to start examining business opportunities related to Art 6 and the new emerging carbon market under the Paris Agreement.

15:20 **IETA Strawman and important issues/aspects for IETA members**

- S. De Clara, IETA
- IETA Members

16:30 **Coffee break**

16:40 Article 6 case studies – experiences with Article 6 pilots and early action

- Experiences from the Joint Crediting Mechanism
 - T. Hemmi, Mitsubishi UFJ Research and Consulting (MURC)
 - K. Koakutsu, MOE Japan
- IETA members experiences with Article 6 pilots
 - J. Swartz, South Pole Group
 - M. Classen, Climate Cent Foundation
 - N. Swickward, Verra
- Mitigation Action Assessment Protocol – W. Betzenbichler

This session will be an opportunity to share experiences from a number of on-the-ground experiences closely related to how Art 6 may function.

They will include experiences from the Joint Crediting Mechanism that Japan is operating with partners, as well the World Bank’s Mitigation Action Assessment Protocol, which has been tested in a number of jurisdictions and continues to evolve.

An important component will be experiences from IETA members that have been involved in Art 6 related activities, trying to test and pilot approaches.
