

A new climate strategy for the EU Agenda

Date: March 19, 2019
Time: 10:00 – 12:30
Location: Bruegel offices– Rue de la Charité 33, Brussels

In November 2018, the European Commission issued their communication for a new long-term Climate Strategy for the EU, entitled “*A Clean Planet for all: A European strategic long-term vision for a prosperous, modern, competitive and climate neutral economy*”. This communication will kick off the formal discussions between the European Commission, the Member States and the European Parliament on a new Strategy.

This event will bring together high-level representatives of the three key political stakeholders (European Parliament, European Commission, Member States) to discuss the way ahead for the new EU Climate Strategy.
