Draft Agenda

Date: January 8, 2020

Location: Room Cattier, University Foundation, 11 rue d'Egmont, 1000 Brussels

ERCST, IETA and Carbon Market Watch have come together to organise a 2020 kick-off meeting and new year's reception.

The event will be an opportunity to gather the Brussels-based carbon market community to discuss COP25 outcomes, the announced European Green Deal, celebrate the past year's successes and reflect on the challenges ahead. During this meeting, high-level EU officials will share their views on the climate change policy agenda for 2020, after which you are all invited to share a glass with us to celebrate the start of the new year.
