

Border Carbon Adjustment in the EU

The Public Consultations outcome

This meeting is under Chatham House Rules / No press is invited

Draft Agenda

Date: November 25, 2020

Time: 15:00 – 17:00

Location: Zoom Videoconference

As part of the European Green Deal, implementation of a BCA is once again being considered as a measure to address competitiveness concerns within the EU. According to the roadmap for the European Green Deal, and European Council conclusions from July, a proposal for a BCA for “selected sectors” will be released in 2021 and should be introduced by the end of 2022.

This session will focus on stakeholders’ submissions to the **European Commission’s Public Consultations** which is took place in October. The ERCST will present an overview of the initial summary of the positions.
