

Preliminary Article 6.2 Authorization Process – Sweden as an Acquiring Country

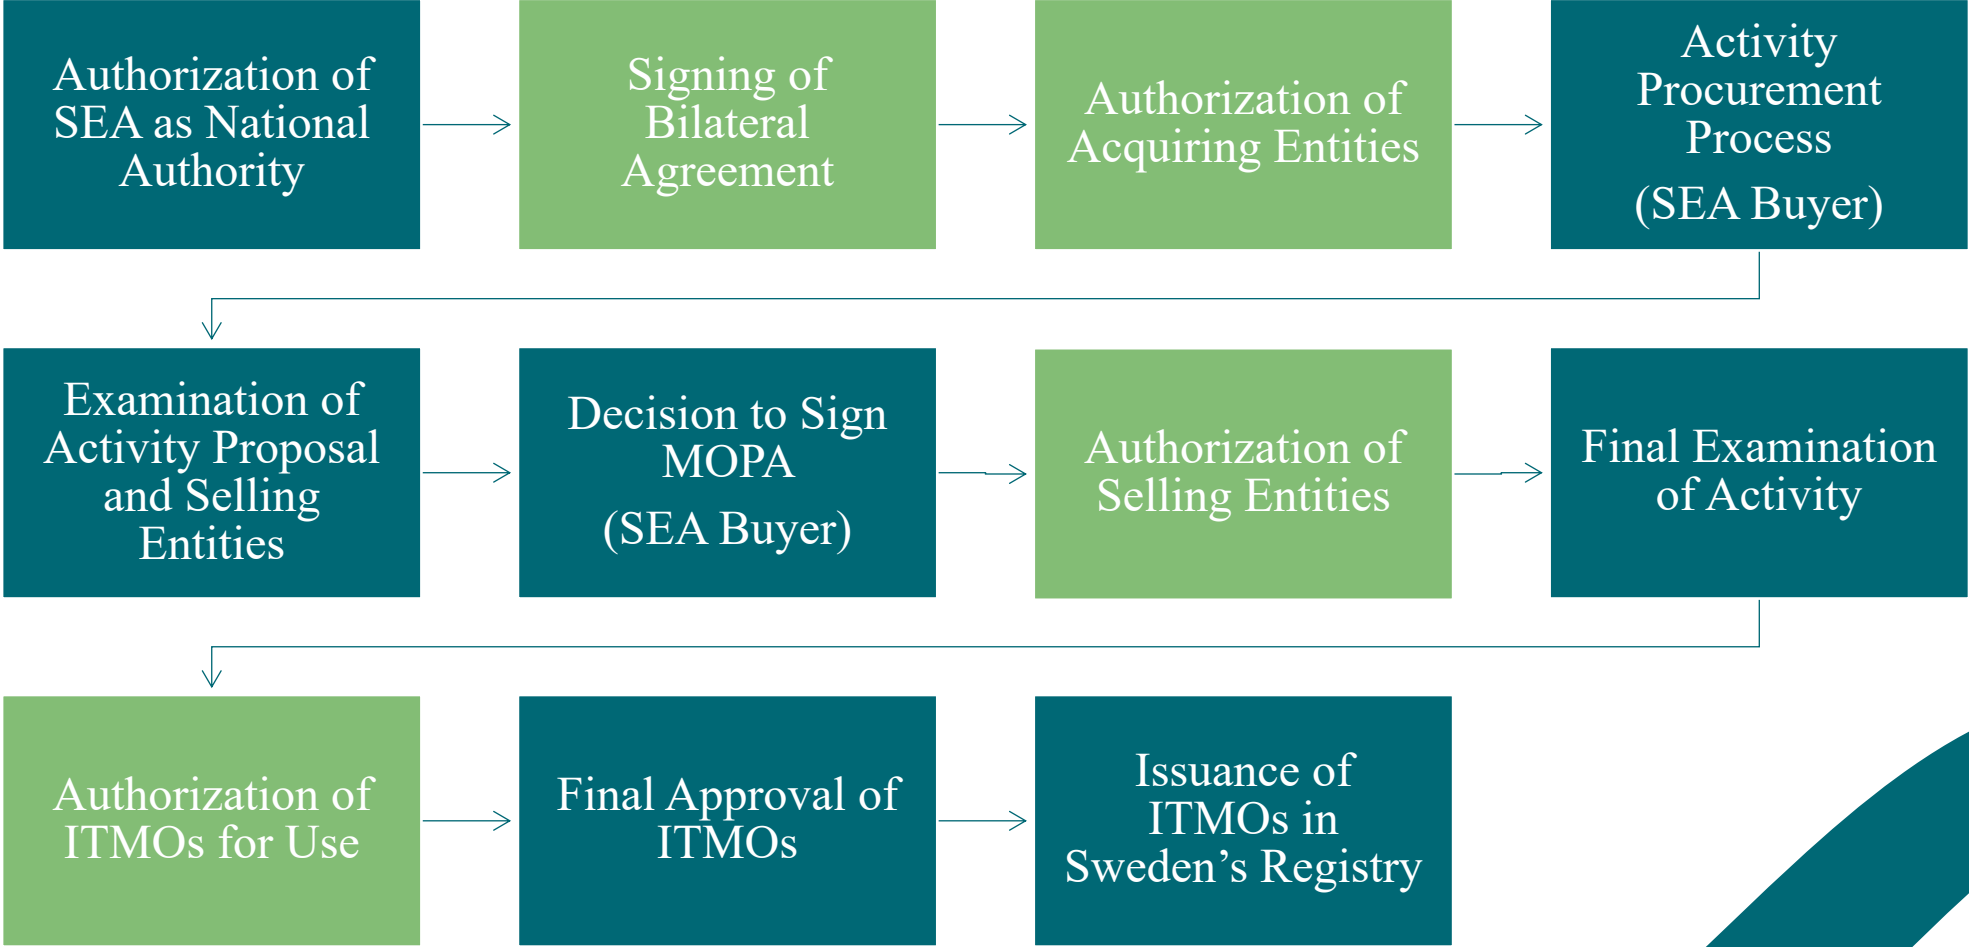

Article 6 Authorizations

| | Cooperative Approach | Entities | Activities | ITMOs for Use |
|--------------------------|-------------------------|--|--|---|
| ARTICLE 6.2 | | | | |
| Host Country | X | X | | X |
| Acquiring Country | X | X | | X |
| ARTICLE 6.4 | | | | |
| Host Country | | X | X | X |
| Acquiring Country | | X | | |
| In practice | Via Bilateral Agreement | Via Letter of Authorization/Letter of Approval in Host and Acquiring Countries | Via Letter of Authorization/Approval in Host Country | Via Letter of Authorization in Host and Acquiring Countries |

Goals behind Sweden's process

- A transparent process for authorization and acquisition
- Objective determination of appropriate projects
- Decisions on authorization of entities and activities independent of decisions on Sweden's acquisition of ITMOs

Process for Sweden as an Acquiring Country
