

2024 State of the EU ETS Report

Stakeholder/expert workshop

Agenda – Draft

This meeting is under Chatham House Rules

Date: Tuesday December 19, 2023

Time: 10 :00 – 12 :00 CET

Venue: Online

This meeting is intended as a stakeholder/expert workshop with a small group of invited stakeholders and policy makers, which will brainstorm on the outline and content of the **2024 State of the EU ETS Report**¹. This will be the ninth annual report on the State of the EU ETS and builds on the reports produced by this group of authors, and other partners, in the last six years. The 2023 edition is available through this [link](#).

The Report is intended as a “snapshot”, providing policymakers and stakeholders with an overview of how the EU ETS is doing by April of each year, based on previous year data.

The topics/chapters that will be discussed are:

- Regulatory developments (EU and international)
- Market sentiment
- Environmental delivery
- Socio-economic delivery
- Market functioning
- Speculation, Carbon Removals, Phase IV

For each topic, the authors will present the expected outline and content, which will allow for an in-depth discussion with the participants, and to address any gaps, or make any corrections needed.
