

EU Carbon Border Adjustment Mechanism Turkey stakeholder meeting

Agenda

Date: July 12, 2021

Time: 14:15 – 17:00 (Istanbul) / 12:15 - 15:00 (London) / 13:15 – 16:00 (Brussels)

Location: ZOOM meeting

Translation: English to Turkish and Turkish to English

The aim of the stakeholder meeting is to build understanding of the EU Carbon Border Adjustment Mechanism (CBAM) with stakeholders in Turkey, and of stakeholder preferences and positions. It is part of the broader project ‘The Economic Impacts of an EU Carbon Border Adjustment Mechanism’.

The meeting will be structured in four main parts:

1) Welcome & introduction; 2) Background to EU CBAM; 3) Draft study results; 3) Q&A and stakeholder reactions

14:15 – 14:45

Welcome address and introduction

- Orhan Solak, Head of Climate Change and Adaptation Dept, Ministry of Environment and Urbanisation
- Bahar Guclu, Deputy Director General, Ministry of Trade
- Sule Kilic, Deputy Head EBRD Turkey

Moderator: Andrei Marcu, Executive Director, ERCST

14:45 – 15:15

Background to EU CBAM

The background session will provide an update on the EU legislative process, as well as the main design elements of the EU CBAM.

- Andrei Marcu, Executive Director, ERCST
- Michael Mehling, Center for Energy and Environmental Policy Research, MIT
- Q&A with participants

15:30 – 16:00

EU CBAM economic implications for Turkey: presentation of draft results

Presentation of draft results of the exercise carried out to assess the economic impact of EU CBAM for Turkey.

- Alexandra Maratou, Senior Policy Analyst, ERCST

16:00 – 16:50

Q&A and stakeholder reactions to results

This session will provide an opportunity for discussions amongst stakeholders and participants to share their views, observations, and suggestions with regards to the results previously presented, and more broadly with regards to the EU CBAM.

- Fatih Özkadı, Chair of the Green Deal Taskforce and the Environment and Climate Change Working Group, TÜSİAD
