

# Just Transition in Spain

# STRATEGIC FRAMEWORK FOR ENERGY AND CLIMA IN SPAIN

## Based on 3 pillars

1. Climate Change Law
2. National Energy and Clima Plan
3. Just Transition Strategy (each 5 years)

## Main goals (by 2030)

- 23% reduction of GHG emissions by 2030
- 300.000 Jobs created
- Avoid negative impacts on regions affected by the transition.

**Coal mines already closed: 31 dec 2018**

**Coal power plants phasing-out: From GW in 2018 to GW by 2030**

# JUST TRANSITION INSTITUTE

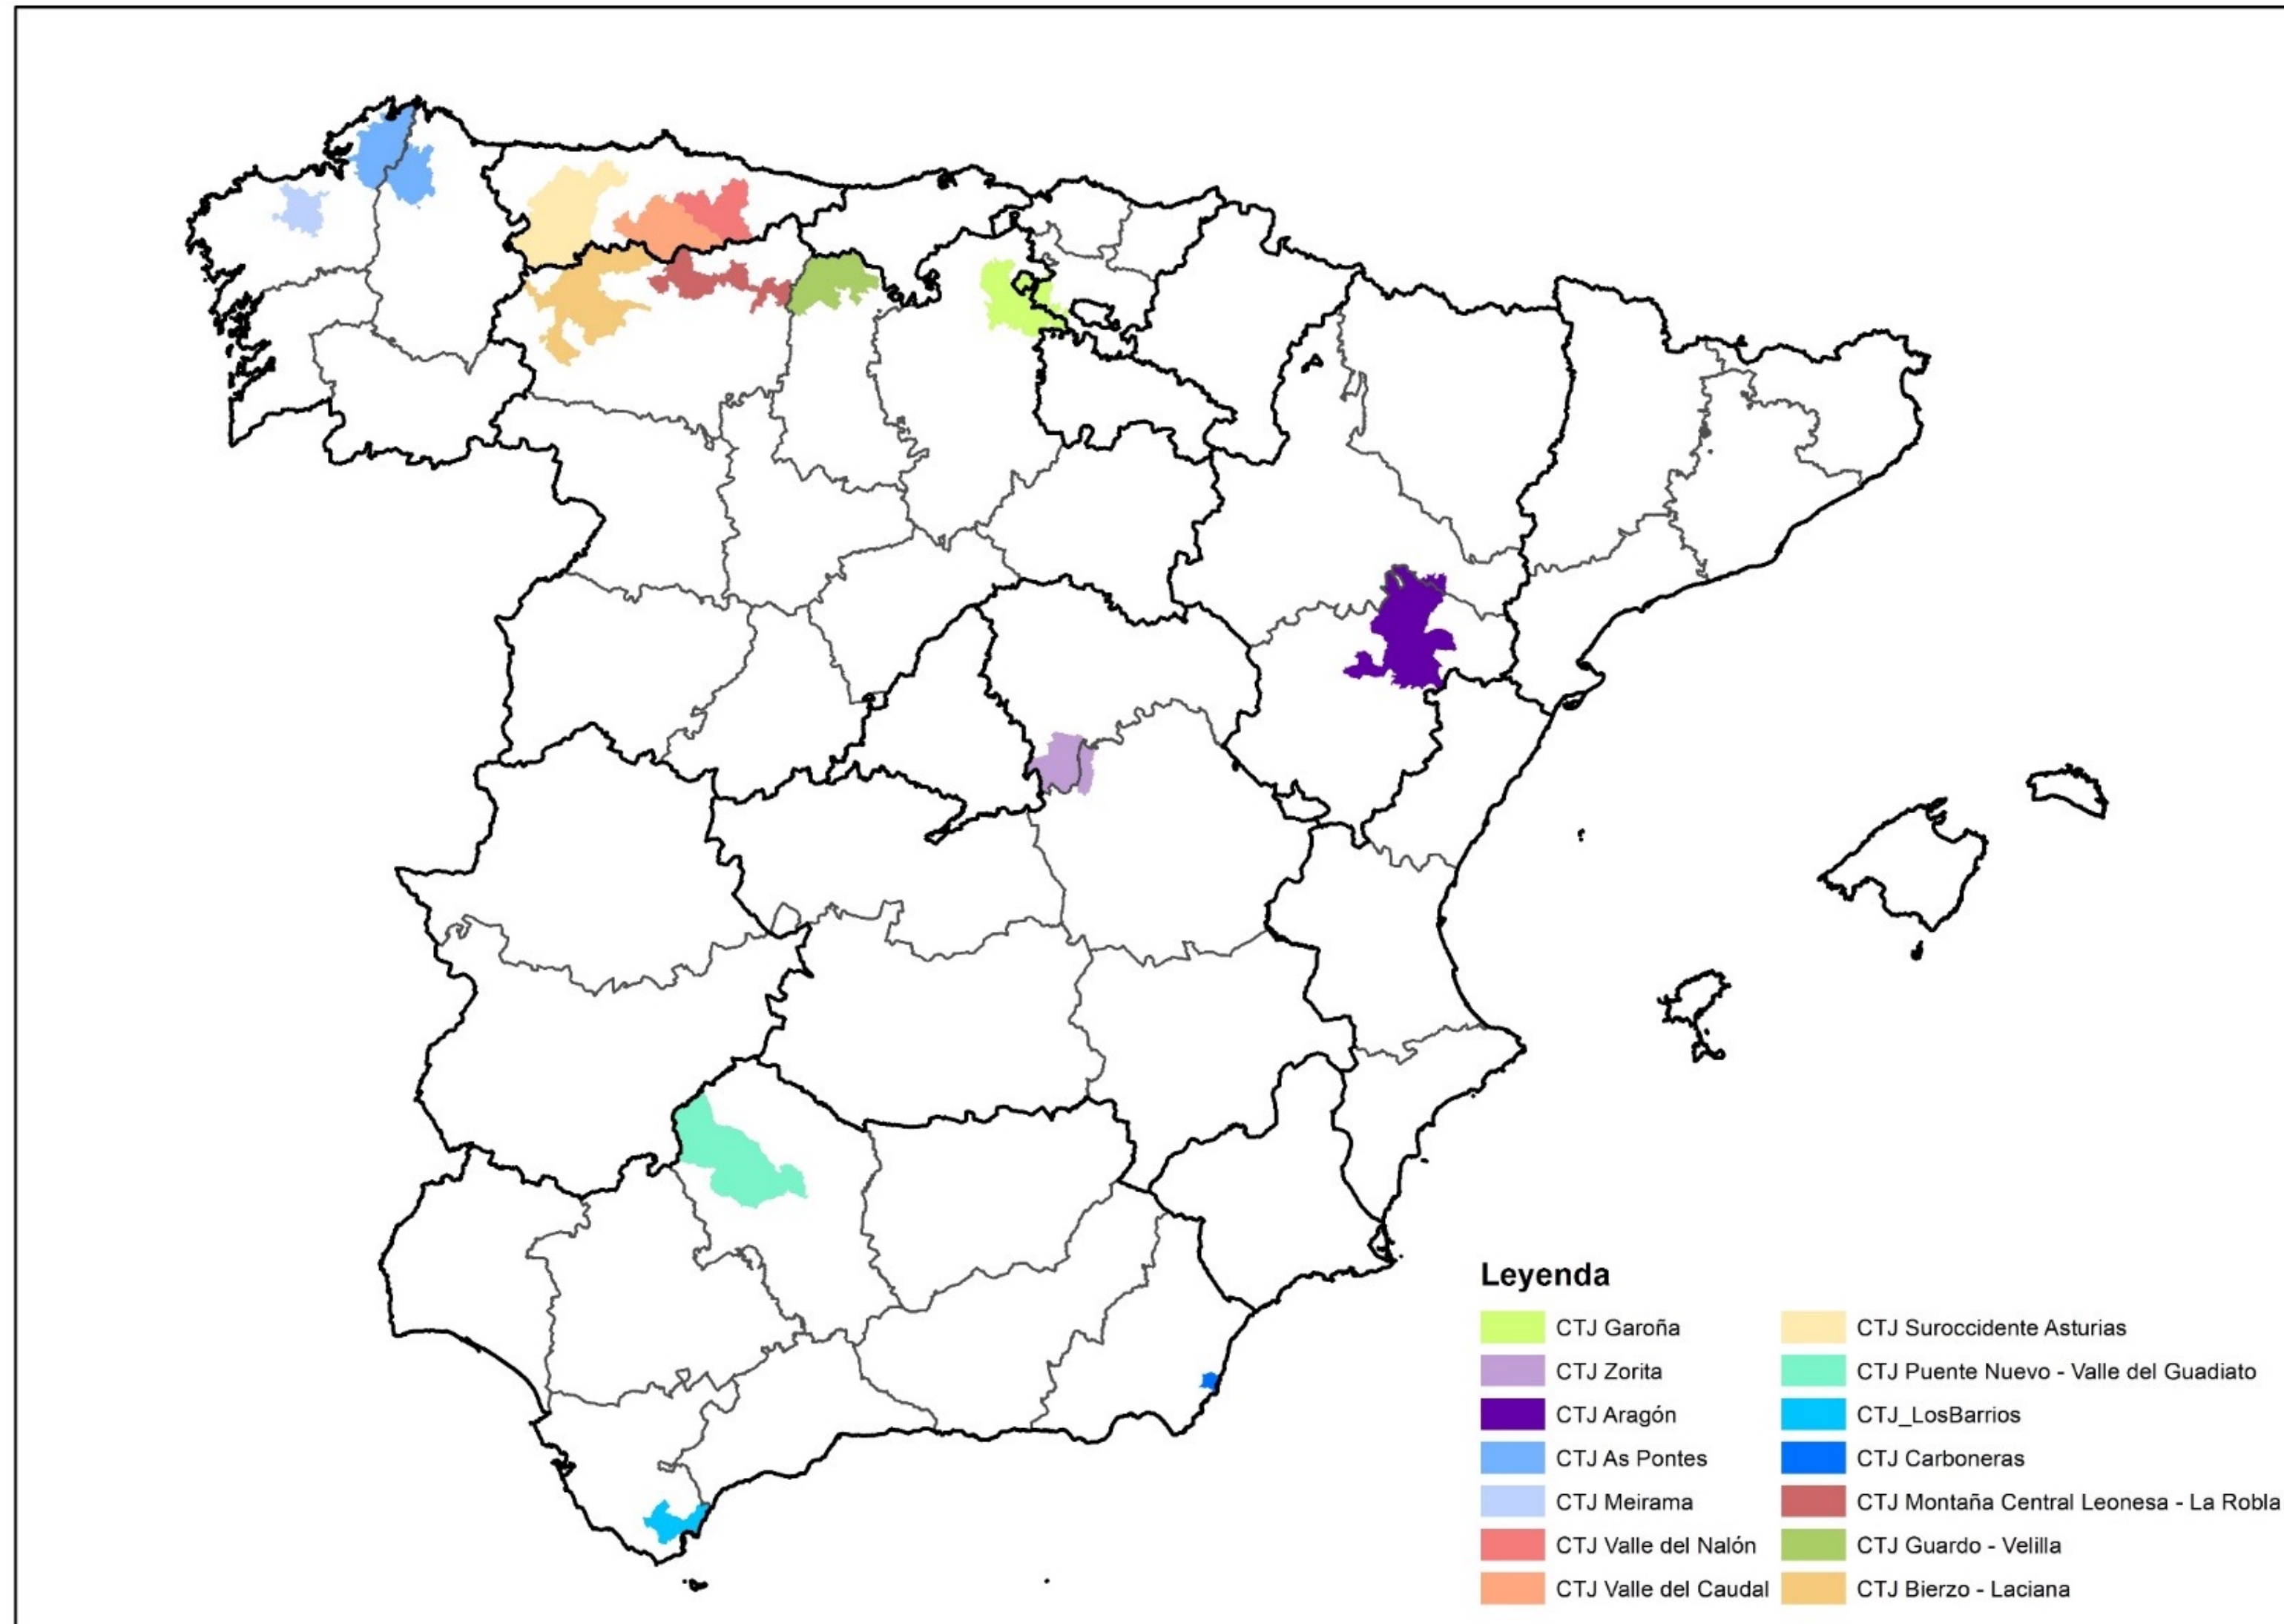

## ITJ:

- **Dedicated body to the Just Transition** in Spain
- Dependent on the Ministry for the Ecological Transition and Demographic Challenge

## Scope (Regions and people affected by):

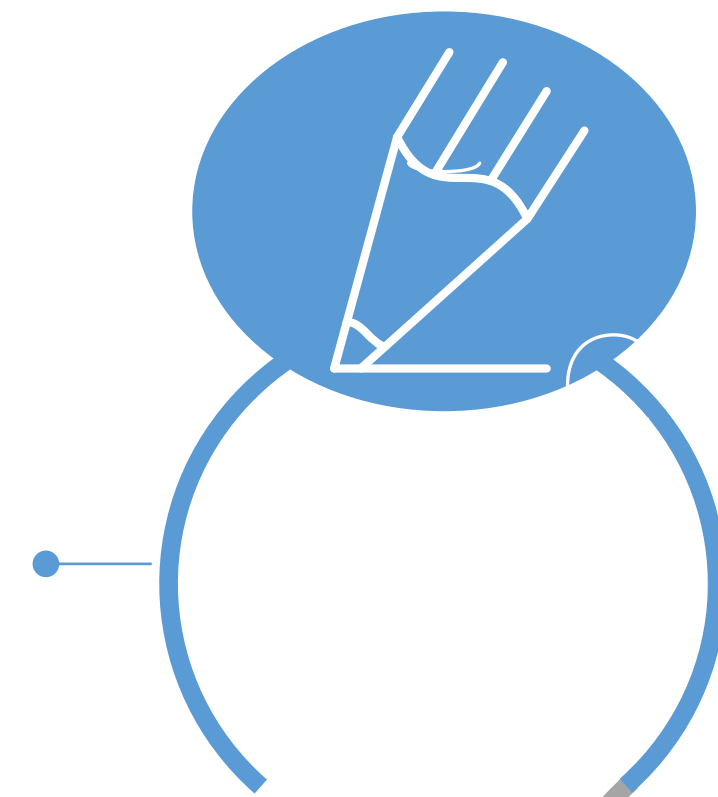

- Closure of coal mines
- Closure of coal power plants
- Closure of nuclear plants

Instrument: **Just Transition Convenes.**

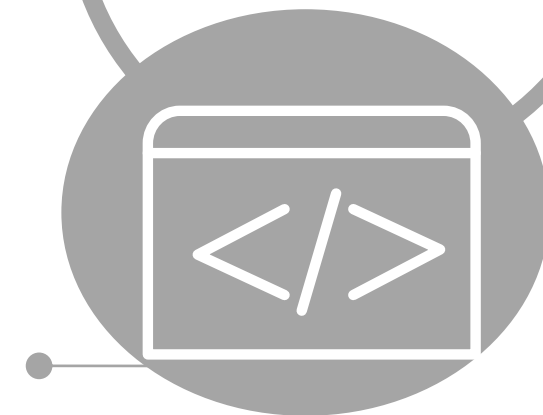

# JUST TRANSITION CONVENES

**1. JUST TRANSITION PROTOCOLS:**  
Signed with regions and municipalities

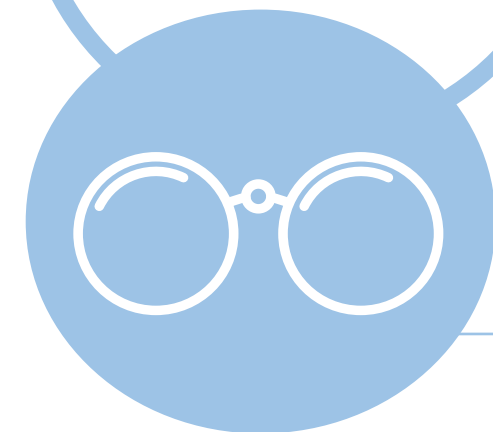

**2. DIAGNOSIS**  
Evaluation of impacts and definition of objectives

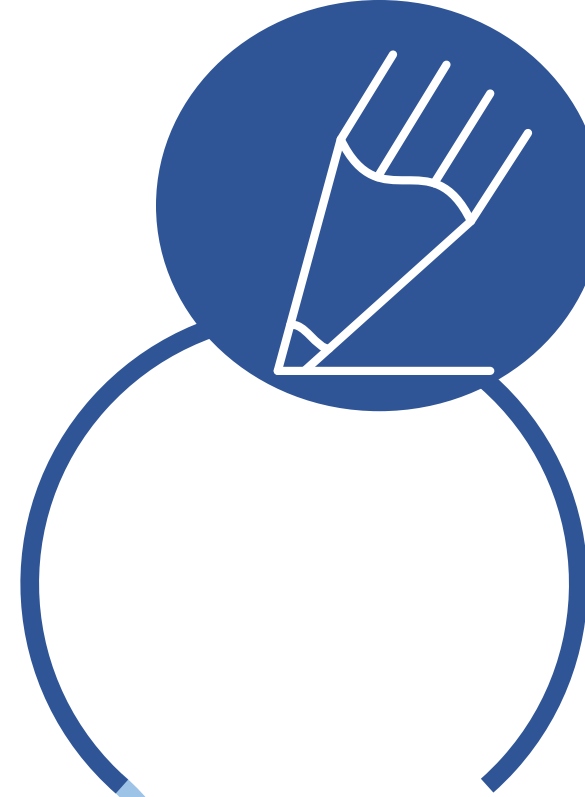

**3. PARTNERSHIP PROCESS**  
Collection of initiatives, proposals and projects

**4. EVALUATION OF PROPOSALS**  
And recommendations for aid schemes

**SIGNATURE OF JUST TRANSITION CONVENES**

# JUST TRANSITION FUND IN SPAIN

**870 million EUR**

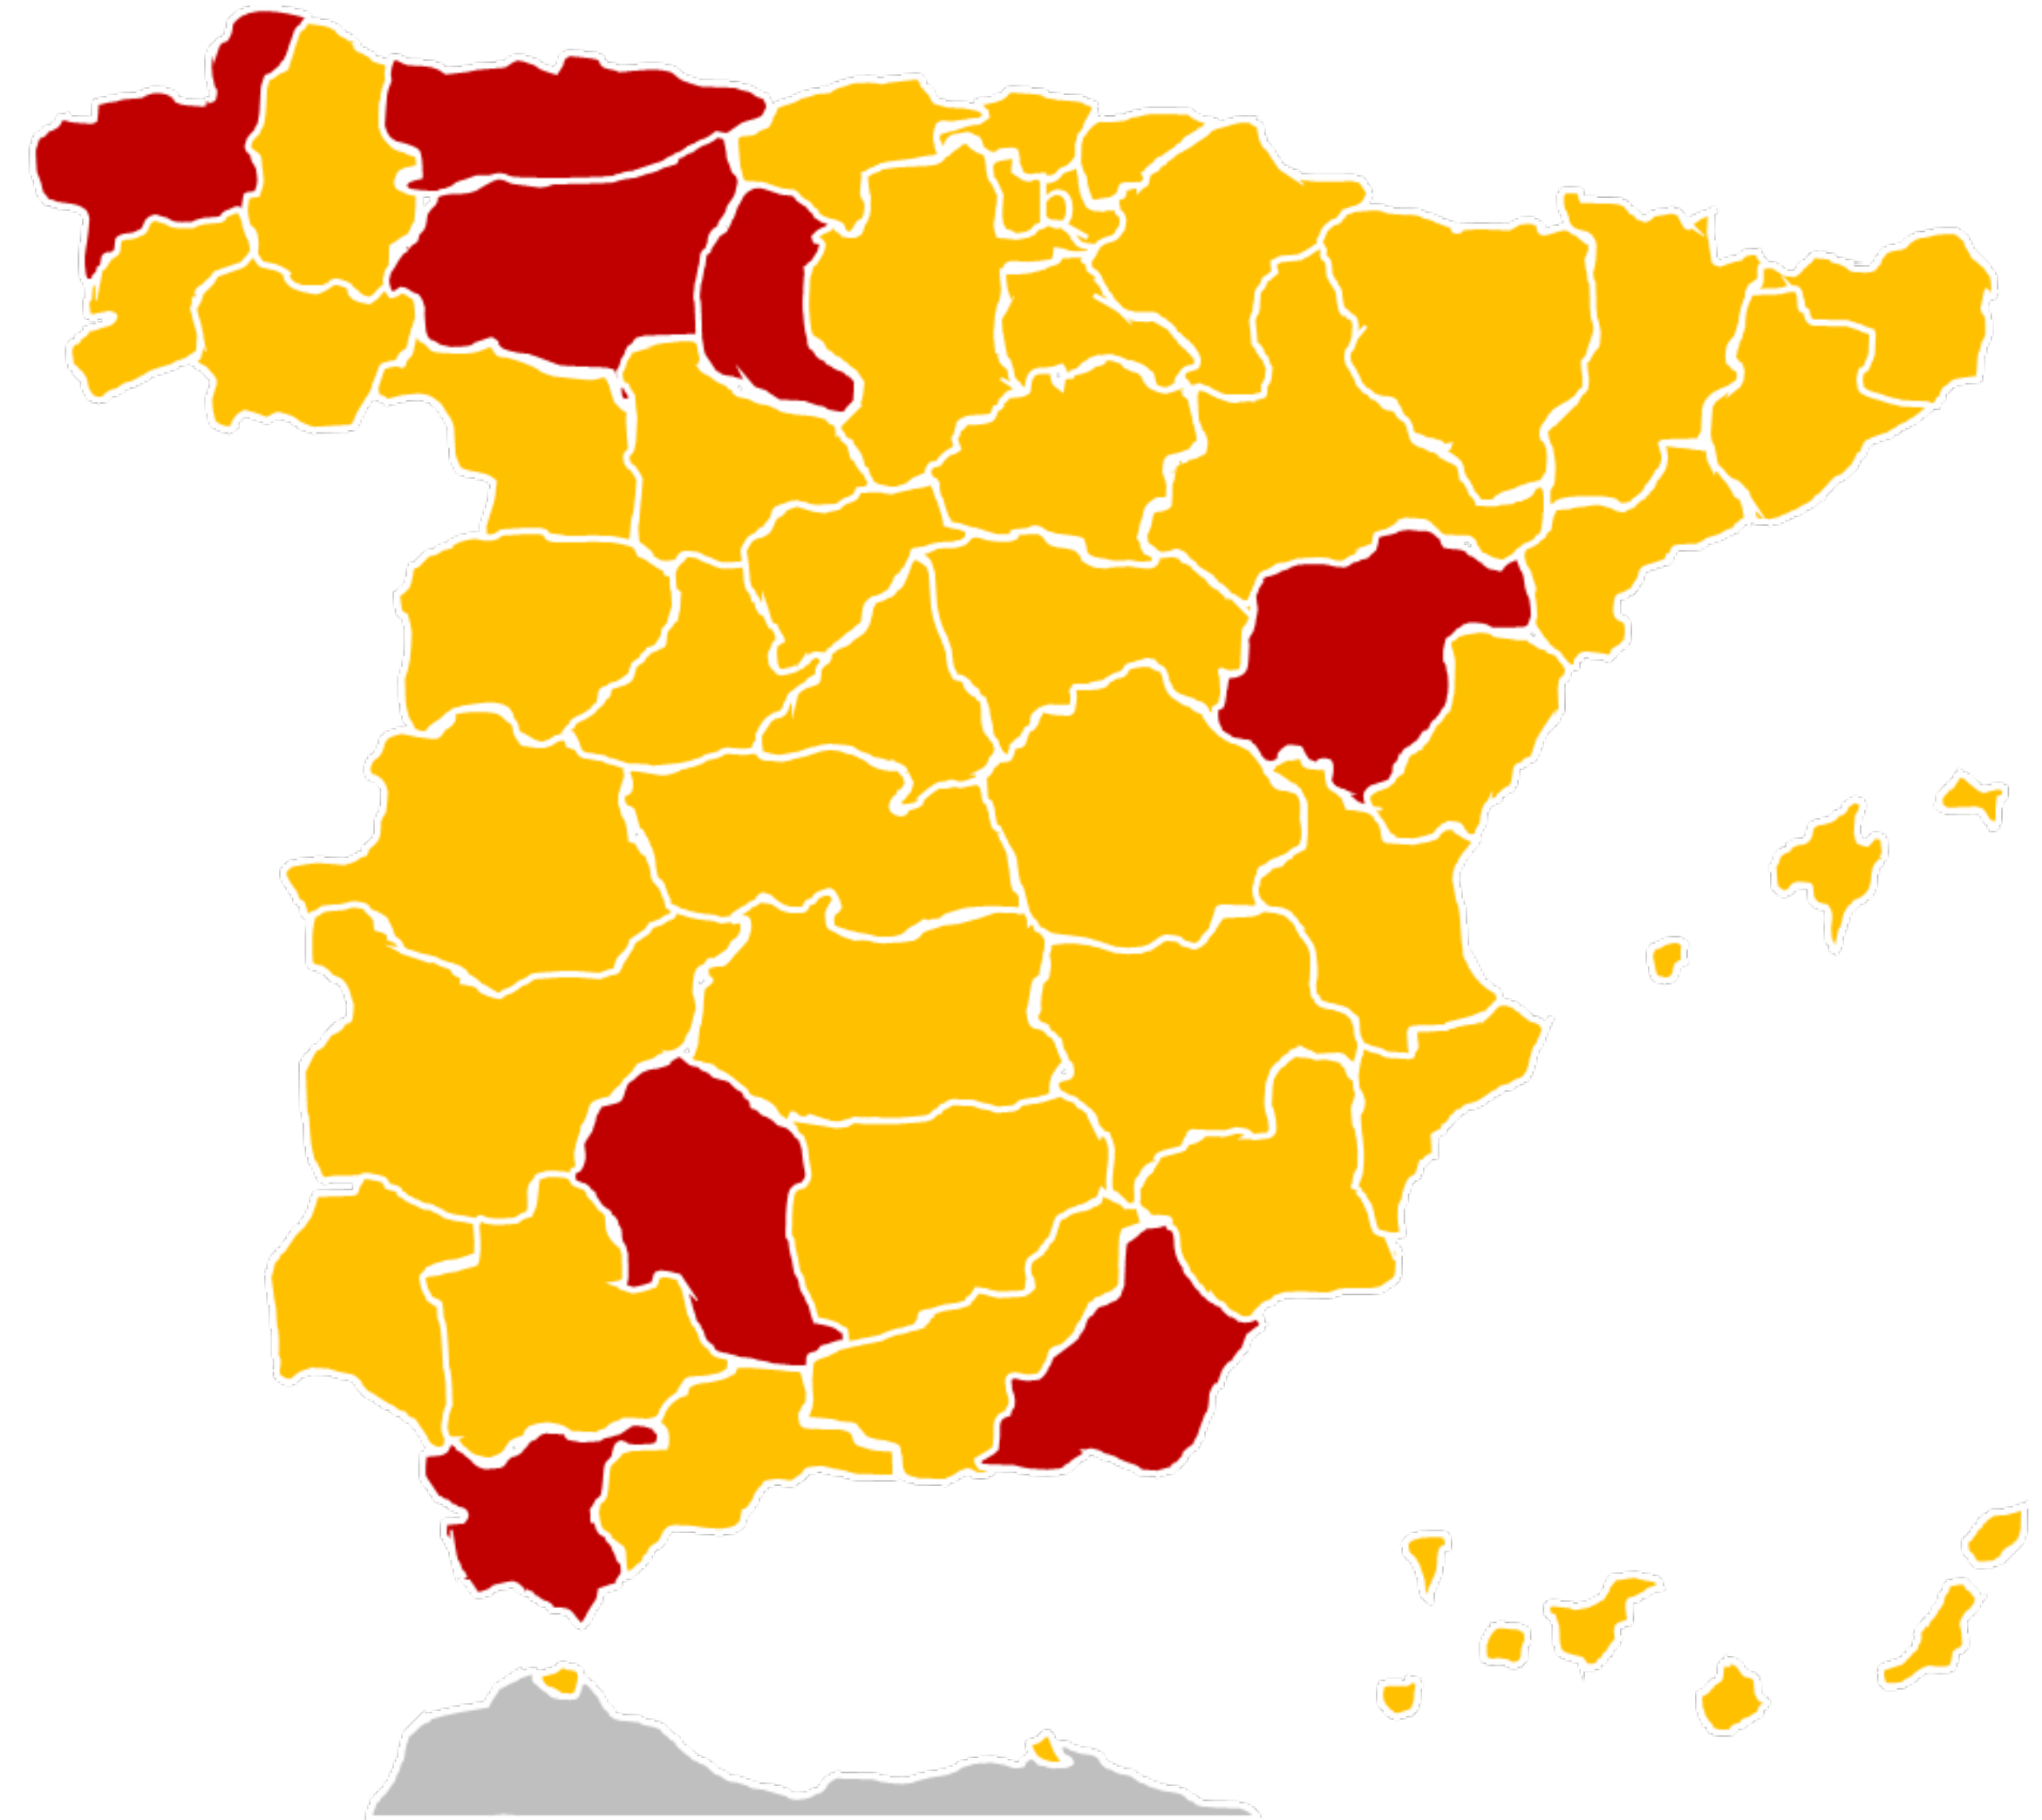

**LINKED TO COAL POWER PLANTS PHASING-OUT  
AND GHG INTENSIVE INDUSTRIES TRANSITION**

**PROVINCES ANNEX D (2020):**

Asturias, León, Palencia, Cádiz, A Coruña, Córdoba,  
Almería y Teruel.

**ADDITIONAL TERRITORY:**

Municipality of Alcudia (coal power plant)

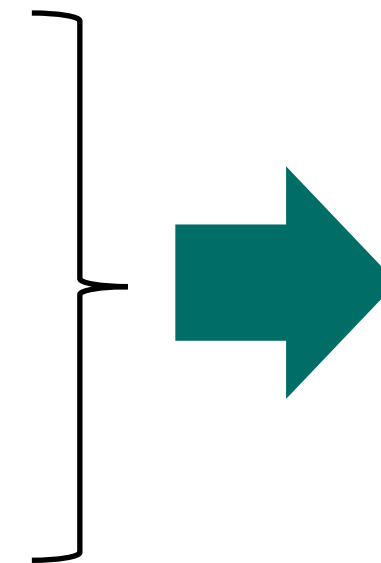

# JTF PROGRAMMING SCHEME:

## Types of Projects to be supported:

- Economic diversification: Aid schemes to SMEs and non SMEs
- Environmental investments
- Local infrastructure (health, education, social infrastructure)
- Reskilling and accompanying measures for integration in the labor market

## Governance:

- **One single Just Transition Plan**, reflecting the necessities of each territory.
- **One single Just Transition Program**, 1 priority per region
- **ITJ** will act as coordinator
- **DG European Funds (Ministry of Finance)** will act as Managing Authority
- **Steering Committees**, with the participation of partners

## **Advantages:**

- Better coordination
- Criteria armonization
- Higher visibility of JTF

**Muchas gracias!!!**

**Fondo de Transición Justa  
Una manera de hacer Europa**
