1. Pursuant to the request of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA),¹ the Subsidiary Body for Scientific and Technological Advice (SBSTA) agreed to recommend to the CMA to consider for inclusion in its decision on guidance on the mechanism established by Article 6, paragraph 4, of the Paris Agreement the draft text on the UNFCCC website.²
2. The SBSTA noted that further work by the CMA is necessary to prepare a consolidated decision, also taking into account the recommendations on this matter of the Supervisory Body for the mechanism established by Article 6, paragraph 4, of the Paris Agreement.
3. The recommendation being forwarded for consideration at CMA 4 (November 2022) does not represent consensus among Parties and further work by the CMA is necessary to finalize it.
