

2023 State of the EU ETS Report

Stakeholders Workshop

Presentation of PPT

Agenda

This meeting is under Chatham House Rules

Date: Thursday 2 March 2023

Time: 10:30 – 12:30 CET

Venue: Rue Archimède 61, 1000 Brussels, Belgium

This meeting is intended as a brainstorming meeting with a small group of invited stakeholders and policy makers, which will brainstorm on the presentation of the 2023 State of the EU ETS Report¹, to be released in April.

This will be the eight annual report on the State of the EU ETS and builds on the reports produced by this group of authors, and other partners, in the last six years. The 2022 edition is available through this [link](#).

The topics/chapter presentations that will be discussed are:

- Regulatory developments (EU and international)
- Environmental delivery
- Socio-Economic delivery
- Market functioning
- Market Sentiment
- Competitiveness and carbon leakage

For each topic, the authors will present the expected content, which will allow for a brainstorming discussion with stakeholders to address any gaps, or make any corrections needed, ahead of the final presentation of the report in April.

10:30 - 10:40

Welcome and introduction

10:40 - 12:30

Presentation and discussion on chapters' (slides) content

12:30

End of the meeting

¹ The 2023 State of the EU ETS Report is a joint effort between [ERCST](#), [BloombergNEF](#), [the Wegener Centre for climate and global change at the University of Graz](#) and [EcoAct](#).
